In Memory of Robyn Metzger

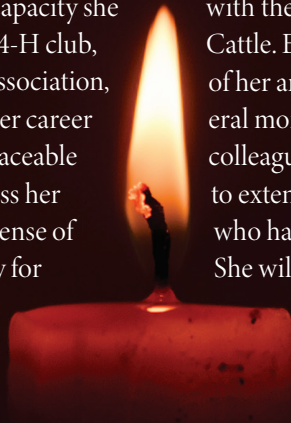

He hath made everything beautiful in his time, also he hath set the world in their heart so that no man can find out the work that God maketh from the beginning to the end.

Ecclesiastes 3:11

Our dear coworker Robyn Metzger passed away on June 21, 2023. Robyn loved to serve the cattle industry in whatever capacity she could. Whether it was her local 4-H club, the Lyon County Cattlemen's Association, the national BQA board, or in her career at Wulf Cattle, she was an irreplaceable member of the team. We will miss her contagious laughter and joyful sense of humor. She was known by many for going above and beyond to

make sure everyone was taken care of. Robyn especially enjoyed getting to know and working with the ranchers that supply cattle to Wulf Cattle. Everyone that knew Robyn spoke fondly of her and we have been blessed in the past several months to hear so many sweet stories from colleagues and customers. Our team would like to extend a heartfelt thank you to those of you who have reached out and sent condolences. She will forever be in our hearts.

36th Opportunity Sale of 2024

Thursday, April 4, 2024 • 12 Noon • ONLINE ONLY

Join us Tuesday, March 26 and Wednesday, March 27 at Sandy Ridge Ranch for our Open House.

SCHEDULE OF EVENTS:

Tuesday, March 26 & Wednesday, March 27

8:00 AM to 5:00 PM Open House at Sandy Ridge Ranch
Serving breakfast and lunch both days

12:30 PM Educational seminar (both days):
Breeding to Feeding, the Value of Feed Efficiency
There are several economically important traits that affect cattle feeding profitability, feed conversion is definitely one of them. In this seminar we will spend some time discussing the value of feed efficiency and how it affects the overall profitability in cattle feeding.

Auctioneers:

C.K. "Sonny" Booth, Ronn Cunningham and Chisum Peterson

OPEN HOUSE HOTEL ACCOMMODATIONS:

- Sandhills Guest House, Atkinson, NE – 402-925-5600
- Holiday Inn Express, O'Neil, NE – 402-336-4500
- Super 8, O'Neil, NE – 402-413-6609
- Fort Randall Casino and Hotel, Pickstown, SD—605-487-7871
- Rodeway Inn, Ainsworth, NE—402-387-1050
- Holiday Inn Express, Winner, SD—605-842-2255

SELLING 363 LOTS:

Cattle sell in lot number order

333 Registered Bulls

(Limousin, Lim-Flex, Angus)

105 Older Bulls • 228 Yearlings

30 Registered Females

(Limousin, Lim-Flex, Angus)

SALE DAY PHONE: Casey Fanta (320) 288-6128

Superior Productions recently launched a new bidding platform. If you plan to watch or bid on Superior Livestock, PLEASE CALL (800) 422-2117 FOR ASSISTANCE WITH ANY OF THE BIDDING PROCESS AT SUPERIOR.

Buyers may also register on DVAuctions.com

If you have any questions about getting a bidder number, please contact Tammy Mikkelson at (605) 949-5773.

See page 8 for more details on both bidding platforms.

Cattlemen,

Why buy Wulf Cattle bulls for your operation? One main reason is that our genetics are designed to produce the most profitable cattle in the industry. To my knowledge, Wulf Cattle feeds more progeny from our own genetics than any other operation in the country. We know what traits make cattle more profitable to feed. Trust us to add those traits to the genetics you use, to produce the most valuable calf crops possible.

The animals that we present to you in our Opportunity Sale are bred to enhance all the economically important traits that cattle feeders demand and the consumer desires. We continue to select for heavy muscled cattle that have acceptable marbling. We breed for cattle that wean heavy and continue to grow so that they net more dollars for our customers at weigh up and for us at harvest. In addition, we select for cattle that can gain and grow efficiently resulting in genetics with better than industry average feed conversion.

Opportunity Sale Lots 1 through 376 all come with the following:

- Complete data collection (Recorded with NALF)
 - Weight traits & measurements taken in large contemporary groups
 - Carcass ultrasounds
 - Majority of bulls feed efficiency tested
 - All genomic enhanced EPDs
 - Actual carcass data used to develop genetics
 - Customers receive carcass data on calves fed in our program
- Breeding soundness exams (Sweetgrass Veterinary Services)
 - Semen tested
 - Scrotal measurements
 - Physical soundness evaluation
- Free nationwide delivery to central points
- Sight unseen purchasing
 - Genetics specifically selected to fit your program
 - Complete satisfaction guaranteed

Join us to view this year's offering at our Open House at Sandy Ridge Ranch on March 26th & 27th. Come for lunch and to visit about your program goals & genetic needs. Then take in the Opportunity Sale online from the comfort of your home or office to bid on your selections on April 4th.

Regards,
Casey Fanta
(320) 288-6128

The crew of Sweetgrass Veterinary Services and myself are excited to welcome everyone to the 2024 Wulf Cattle Opportunity Sale! We take great pride in continuing to perform the herd health preparation for the sale. I'd like to thank Emily, Mandy, Luke, Jeff, Kayla, and Maddy for their dedication and hard work this time of year when calving and production sale seasons collide!

Several days were spent performing breeding soundness exams, which included evaluation of semen motility and morphology, scrotal measurements, hip heights, and visual examination of hoof and leg conformation. To reduce stress and times through the chute, yearling bulls were also carcass-ultra sounded by CUP Lab Certified Tech Jeff Schoenfelder at the time of the breeding exam.

All sale animals have received vaccinations for IBR, BVD, PI3, BRSV, Lepto, Vibrio, Clostridial diseases, and were poured to control external and internal parasites. In addition, heifers have also received their Brucellosis vaccination. Magnets are given to both bulls and heifers for the prevention of hardware disease. Wulf Cattle tests all breeding stock for John's Disease and has a zero tolerance for positive tests. These animals and their offspring are removed from the breeding herd to ensure the future health of your herd.

We will be readily available on sale day and can be reached by email at vet@sweetgrassvets.com or at (605) 928-8387. We will be issuing electronic official health papers for lots sold outside of Nebraska the day of the sale. To assist us in this process, please provide your email and the physical address of where the cattle will be delivered to when you sign up for a bidder number. Please refrain from using P.O. Box numbers. You may also find it convenient to download the MyVetLINK app to see your health documents as they are created. In good practice, we encourage a 3-week quarantine period of your seedstock purchases before allowing contact with your herd to get over the high-risk time after the stress of transportation. Also, to work with your local veterinarian in preparing your bull for breeding by repeating a fertility test prior to pasture turn out.

Stay Healthy. Stay Happy. Stay Free!

Dear Friends & Fellow Cattlemen,

It is a pretty good time to be in the beef cattle business. For two years running, we have seen the value of all classes of cattle continue to move higher. Whether we've sold fed cattle or feeder calves this past year, most of us have set new price records for what we sold our cattle for in 2023. Due to widespread dry conditions, the U.S. has not yet begun to rebuild the national cow herd inventory. Given the tighter supplies, combined with robust beef demand, the cattle market is forecasted to keep trending higher.

Our native cattle feeding model has not changed. The value-added program cattle, specifically Verified Natural & GAP, are what continues to work best for us. We appreciate all of you that have supplied us with consistent high quality feeder calves that are Verified Natural & GAP certified. We are still able to market a more limited number of NHTCs. Our own internal Beef Builder™ (Limousin X Dairy cattle) program continues to grow. This production system is all happening in eastern New Mexico, and the Texas panhandle.

On the genetics front, we have a lot of exciting things happening! Our large and powerful database that gets thousands of records added to it each year continues to grow. This volume of records is what drives our selection and advances our genetic progress year after year. We are now able to collect massive amounts of carcass and production data from thousands of our harvested Beef Builders™. This data is utilized in our genetic evaluation. We have also captured individual feed intake on the bulls at Sandy Ridge Ranch for over a decade, resulting in the largest data bank in the Limousin breed for feed intake. Measuring feed intake combined with average daily gain (ADG) gives us feed conversion, otherwise said, feed efficiency.

In addition, we have expanded our genomics program. We not only have our entire cow herd genomic tested, but the bulls in the sale offering are also all genomic tested. The cumulative effect of data and genomics is reflected in EPDs with much higher accuracy and predictability! Together, we have the potential to accelerate genetic progress much faster than ever before! Pretty exciting times!

We look forward to seeing you all at our Open House and seminar on March 26th and 27th. Come see the bulls and enjoy the cattle friendly fellowship with the Wulf Cattle Team and others. We will be there to help answer any questions you may have on your carcass and health data. Finally, be sure not to miss our online sale from the comfort of your home on Thursday April 4th.

Kind Regards,
Jerry Wulf

Open House at Sandy Ridge Ranch

Tuesday, March 26 & Wednesday, March 27

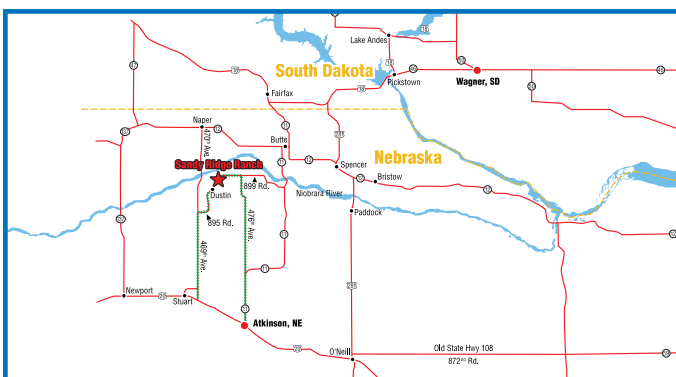

8:00 AM to 5:00 PM • Serving breakfast and lunch both days

Seminar:

"Breeding to Feeding, the Value of Feed Efficiency"
Time: 12:30 PM (Both days)

There are several economically important traits that affect cattle feeding profitability, feed conversion is definitely one of them. In this seminar we will spend some time discussing the value of feed efficiency and how it affects the overall profitability in cattle feeding.

We invite you to join us at Sandy Ridge Ranch and spend the day leisurely walking through the sale offering. Plan to join us for the educational seminar beginning at 12:30 PM both days. Since the 36th Annual Opportunity Sale is VIDEO ONLY, this is your chance to be onsite and appraise the sale offering.

Directions to Sandy Ridge Ranch

- From Stuart, Nebraska—North on 469th Avenue 14 miles to 895 Rd. Turn east 2.5 miles and north 4 miles.
- From Butte, Nebraska—1 mile west of Butte, turn south onto Highway 11 6.1 miles. First right after the Niobrara River, turn west onto 899 Rd. 10.9 miles.
- From Atkinson, Nebraska—North on Highway 11 7.9 miles. Continue straight onto 476 Avenue 14.5 miles. Turn west onto 899 Rd. 2.9 miles.
- From Naper, Nebraska—South on 470th Ave 12.7 miles to 894 Rd. Turn east, 2.5 miles and north 4 miles.

2024 Wulf Cattle Indexes

A method to simplify your bull selection and help you find the correct herd sires for your operation.

The indexes presented here can simplify your bull selection and help best match herd sires to your operation. Single-trait selection is not wise, rather, cattle with a balance of traits that match your production needs provide the greatest profit potential. Therefore, indexes were developed to combine traits of economic importance. Each index combines 19 different measurements grouped into six economically important categories.

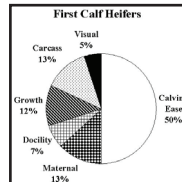

- Breeding first-calf heifers
- Producing calves for the mainstream market using terminal sires
- Producing calves for the mainstream market while keeping replacement heifers

- Calving Ease** = Birth Weight EPD, Calving Ease Direct EPD, Actual Birth Weight
- Maternal** = Scrotal EPD, Milk EPD, Calving Ease Maternal EPD, Actual Scrotal
- Docility** = Docility EPD
- Growth** = Weaning Weight EPD, Yearling Weight EPD, Carcass Weight EPD, Actual WW, Actual YW
- Carcass** = Ribeye EPD relative to Carcass Wt EPD, Yield Grade EPD, Marbling EPD, Ultrasound ribeye to YW, Ultrasound marbling (Muscling and marbling are given greater or lesser importance depending on the index - see individual index descriptions).
- Visual** = Wulf's visual score

First Calf Heifers

This index score sires according to their usefulness on first calf heifers. While calving ease is the major driver in this index, a balance among the other traits is required to score high.

The icons listed below appear directly adjacent to each sale lot to serve as a quick reference to the corresponding Wulf Cattle Index.

Calving Ease Sires

Keeping Replacements

Main Stream Sires

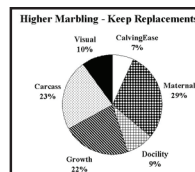

* Indexes on all yearling bulls are based on EPDs only.

Mainstream Markets—Terminal Sire

This index scores bulls for terminal sire use to produce calves for the mainstream market. Their calves may be sold at weaning or retained in the feedlot and sold for cash or on the grid. Growth traits are given the most emphasis in this index, followed by carcass traits that emphasize a balance between muscle and marbling.

* Indexes on all yearling bulls are based on EPDs only.

FOR HELP WITH REGISTRATION OR ANY PART OF THE BIDDING PROCESS PLEASE CALL SUPERIOR AT (800) 422-2117.

VIEWING THE AUCTION

The auction will be broadcast online at Bid.SuperiorLivestock.com and the pre-recorded videos will also be hosted there. You do not need an account just to watch the auction or view videos of the sale offering.

ONLINE BIDDING

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received

a buyer number it will show your name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at Bid.SuperiorLivestock.com/how-it-works.

TURN IN BIDS OVER THE PHONE

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids.

Watch & bid online for FREE at DV Auction
Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases! After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding. Be sure to check the lag-time monitor in the top left corner

to ensure real-time broadcasts.

PROXY BIDDING: If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

- Wulfs Latigo K750L ET earned the attention of many astute cattlemen while on display at the 2024 NWSS
- Appreciated for his tremendous phenotype coupled with volume of body and muscle
- Dam, Wulf Edwinna 7056E, is a herdsire producer having raised Wulfs Gallagher 7056G and Wulfs Hickock 7056H, who were her first two natural calves
- This bull ranks in the top 5% of the breed WW, ADG, YW, Milk, TM, DOC, CW, and CREA
- #1 on our Mainstream Terminal Index, which is impressive for a bull with show ring style and presence.

- Wulfs Long Haul K503L ET was the lead off bull in our 2024 NWSS Reserve Champion Pen of Purebred Bulls
- His sire, Wulfs Endurance K069E ET, has never had semen offered on the open market yet was chosen for NALRF project because of his balance of economically important traits
- His dam, Wulfs Carrieann 5201C, is the dam of our herdsire, Wulfs Future 5201F and she produced embryos that have gone to many fine US herds and to the Netherlands
- Well-balanced, homo black, homo polled herdsire prospect with a unique pedigree
- Admired for his square hip and depth of body coupled with expressive muscle

- Well balanced bull for structure, performance, and carcass traits
- His sire has done an impressive job in our herd and has a pedigree that stacks many of the most dominant genetics we have ever used
- Take note of his impressive carcass data where he scanned a 17.08 REA that indexed 103 and 2.82 IMF that indexed 132

- One of the few scurred bulls in the offering that still makes the photo group because of his excellence across all the traits
- Calving ease prospect that will add growth, yet still be safe to use on heifers
- #8 on our First Calf Index, #2 on our Terminal Index and #1 on our Replacement Index

Notes Regarding EPDs & Ratios

EPDs of Limousin and Percentage animals are percentile ranked among themselves and Lim-Flex animals are percentile ranked among themselves. However, the REA & MARB scan measurements from Limousin, Percentage & Lim-Flex all ratio together, if they are within the same contemporary group.

- High percentage prospect that is designed with extra muscle, softness of body and super sound structure
- Off the charts growth for a bull with all the indicators for calving ease
- Study this one closely as he is a truly unique prospect

Notes Regarding EPDs & Ratios

EPDs of Limousin and Percentage animals are percentile ranked among themselves and Lim-Flex animals are percentile ranked among themselves. However, the REA & MARB scan measurements from Limousin, Percentage & Lim-Flex all ratio together, if they are within the same contemporary group.

- Standout Angus prospect that has a nice balance of calving ease, performance, and carcass
- Sired by the popular Thedford whose progeny have been topping sales across the country
- Dam has recorded 7 calves with a WW Index of 104

Notes Regarding EPDs & Ratios

EPDs of Limousin and Percentage animals are percentile ranked among themselves and Lim-Flex animals are percentile ranked among themselves. However, the REA & MARB scan measurements from Limousin, Percentage & Lim-Flex all ratio together, if they are within the same contemporary group.
